

HOW MUCH DOES IT COST TO HAVE A RABBIT?

\$200-\$250
initial setup cost

Housing/Bedding – \$0-100+ per month

Litter/Litter Box – \$20 per month

Hay – \$15-50 per month

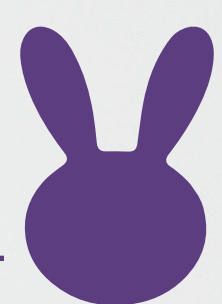

Greens – \$30-100 per month

Pellets – \$20 per month

Medical Expenses – \$500-\$1,000 per year

Treats – Varies

Toys – Varies

Pro tip: You can get insurance for your rabbit (currently only Nationwide covers rabbits) to be more financially prepared for emergencies. CareCredit is another option that may be available to you.
